BRIEF ABSTRACT OF LETTER

Recommending revision of the Scale of Income and Expenditure of the above temple, as revised by him, in the recommendations of the Hereditary Trustee of the temple dated.

NOTES AND ORDERS.

N

According to the existing Scale, sanctioned in G.O. cited dated 9.8.1922, provision was made for an income of Rs 9,936 and an expenditure of Rs 9,581. The Mungi Commissioner has now submitted proposals for revising this Scale. In the revision proposed by him, provision has been made for an income of Rs 10,284-12-0 and for an expenditure of Rs 9250-12-0, with a

Reserve Rs 1034. The slight increase in the scale of the revised income is due to enhanced income under Selvatha fees. In view of his letter under disposal, the H.C has stated that the levy of coconut fee has sanctioned in Gyn dated 9.2.1934 as an experimental measure for one year and he has recommended the continuance of this levy for another years. This proposal has not apparently been made under a misconception of the fact that his proposal already has made in this behalf in January 1938. has been sanctioned as a permanent measure in Govt Memo dated 28-1-1938. No further action is therefore called for in this file.

Expenditure: The H.C has proposed a scale involving an expenditure Rs 9250 and a Reserve Rs 1034. The present scale of pay of the peshkar is Rs 30-1-35 with an average cost Rs 33-0-0. The H.C has now proposed to revise this scale as 40-2-50 with an average cost of Rs 47-8-0 p.m so that the posts of peshkar and the Head clerk of taluk offices may be interchangeable. The total cost on account of the revised pay and house rent contributions of the peshkar comes to about Rs 57-6-0 from Rs 712½ per annum. Half of this amount

supervision over the affairs of this institution, and
this amount has been provided in the income side
of the revised Scale as contribution from the Uvari-
yur Sri Varadarajaswami temple. The M.C has requested
sanction to this adjustment.

2. As per Govt's order dated 8.10.1923, the

No 6 of the detailed Statement of Expenditure under
Establishment) has been proposed to be changed

alteration will be inserted in the Revised Scale.

3. Regarding the claim over the Pakshanike
duties of the Sri Thulagudies in the temple, the
M.C has stated that several petitions have
been received that the right over some of them
has also been transferred to others, in which
agreement among the claimants and that the
Deputy Commissioner alone will be asked
to examine into the matter and submit a report
The M.C is of opinion that this question need

Revision of Scale of Income and Expenditure of Sri Ranganathaswami Temple, Seringapatam.

I have the honor to forward herewith a copy of letter No.F.31/36 dated 26-6-1937, received from the Deputy Commissioner, Mysore District, on the above subject, and to state as follows:-

2. The existing scale of the temple was sanctioned in G.O.No.Ud9-Muz.379-21-2 dated 9-8-1922 for an income and expenditure of Rs.9,936 and Rs.9,581, respectively. The question of revising the scale has been pending for the last 10 years for some reason or other. The Deputy Commissioner had submitted proposals during December 1933 for an income and expenditure of Rs.9,324-6-0 and Rs.8,904-4-0, respectively. As the gopuram of the temple which is damaged, requires to be repaired, and as the temple has to repay the loan amount advanced from the funds of the Sri Ketenarayanaswami temple for installing electric lights, it is necessary to build up an adequate reserve fund to the credit of the temple.

The Deputy Commissioner was, accordingly, requested to submit modified proposals for revising the scale. He has since submitted proposals with his letter dated 26-6-1937, after attending to the above observations.

The present income of the temple in the revised scale suggested by the Deputy Commissioner and modified by me, is as follows:-

P.t.o.

3. The main source of income to the temple is the cash grant. The contribution from the Chattram Savings Fund to the Ramanujakutam has been discontinued. The income from puduvat lands has fallen. The temple was running with a debit balance. On account of the income from cocoanut fees and the

Economy effected in the expenditure, the institution has been able to balance the scale, after wiping off the deficit, for the past 2 years. But still, the temple has to pay contribution to the extent of Rs 1,988-0-0 to the Rural Establishment Fund, for 4 years from 1932-33 to 1935-36 at Rs 497 per year, and secure funds for repayment of the loan amount due to Sri Petenarayanaswami Temple and for repairs to the damaged Gopuram.

The Deputy Commissioner states that the Dharmadarsis have examined the proposals, in detail, in the light of the instructions issued by me, and have effected savings under all possible items, thereby raising the reserve amount to 10% of the income, and that further reduction is not possible.

5. The levy of cocoanut fee was sanctioned in G.O. No.1067-8/Luz. 150-33-4 dated 9-2-1934 as an experimental measure, for one year. As this is found to be an additional source of income to the temple, the continuance of the levy of cocoanut fee may be sanctioned for another five years. The scale of sevartha fees which was sanctioned in G.O.No.169-70/Luz.190-25-4 dated 30-7-1924 has to be revised, as it is expected to increase the income. The Deputy Commissioner will be requested to submit necessary proposals.

6. Expenditure.--Under items, Nityakatle and Hetchukatle, only the minimum expenditure is proposed after making necessary reductions.

As regards the Establishment, the Deputy Commissioner has proposed to fix the pay of the Peshkar at Rs 40 in Grade Rs 40-2-50 on a par with that of the Head Clerk of the Taluk Office, with a view to raise the status of the Peshkar, as he has to supervise the affairs of this institution and other major institutions at the place. I agree with the Deputy Commissioner, as it is desirable that the posts of the Peshkar and the Head Clerk should be made interchangeable. The average pay of the Peshkar in Grade Rs 40-2-50 works to Rs 47-8-0 per mensem; and including the pensionary contribution of Rs 11-14-0, the total cost aggregates to Rs 59-6-0 per mensem or Rs 712-8-0 per annum. Half of this amount is proposed to be borne by the Sri Petenarayanaswami temple, as the Peshkar exercises supervision over the affairs of that institution. The moiety to be contributed annually by this institution will be Rs 356-4-0 as against Rs 292-8-0, proposed by the Deputy Commissioner; and this amount has been provided on the income side of the revised scales as the contribution from the Sri Narayanaswami temple. This adjustment may kindly be sanctioned.

7. As per G.O.No.789-90/Muz.280-29 dated 3-10-1930, the name of the post "Manager and Pallikolu" (vide item No.6 of the detailed statement of expenditure under Establishment) has been proposed to be changed to "Chicka Tarupathegar". The Deputy Commissioner has proposed a reduction of Rs.2 in the pay of the post, from Rs.6 to Rs.4 in the revised scale. This is a general reduction applicable to all employees of the temple and it cannot be helped. The name of the post may be changed as per the above Government Order.

8. Several petitions have been received, both in this office as well as in the subordinate offices regarding the claim over the paricharike duties of the Suthalgudies in the temple. This right over some of the Suthalgudies has also been transferred to others by mutual agreement among the claimants. It is not clear as to which are all the Suthalgudies, whether the continuance of the claims over these duties by transfer or otherwise is allowable; and why such of these duties for which there are no claimants should not be lapsed.

The Deputy Commissioner will be requested to enquire into the matter and submit a separate report. This question need not wait the revision of the scale of the temple.

9. I request that sanction of Government may kindly be ontained to the revised scale of income and expenditure of the temple, submitted by me, as per appended detailed statements, for a period of 5 years.

10. The connected records are sent herewith.

Letter No.H.31/36 dated 26-6-37 from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore.

Proposals for the revision of the scale of Sri Ranganathaswami Temple at Seringapatam.

With reference to your letter No.C.101-36 dated 30th November 1936 on the above subject, I have the honor to forward herewith the revised scale with the entire records, received with the French Rocks Sub Division Officer's report ending with No.Muz.A3-442/36-37 dated 5th June 1937, and to state as follows:-

It is seen from the records that the Dharmadarsis have examined the revision of the scale in detail in the light of your instructions. They have shown some savings under 'Nityakatle' and 'Nityanukatle' items and establishment charges thereby raising the "Reserve Fund" to 10% as per your instructions.

If the Gopuram is to be repaired and renovated at a cost of Rs 12620 a loan will have to be raised, towards which at least Rs 750 to repay principal and interest will have to be earmarked, leaving about Rs 270 as Reserve to meet other expenses. The Dharmadarsis, the Amildar and the Sub Division Officer have suggested the raising of the required amount by means of lottery I am not in favour of this proposal. The cost of the repairs, I think, will have to be met out of savings in the temple's present expenditure and, I think, the reduction suggested by the Dharmadarsis is very reasonable.

As per Government Order, the status of the Peshkar of this temple should be that of Taluk Head Gumasta, and, as the Peshkar is expected to supervise the affairs of this important temple and the affairs of four other minor institutions in Seringapatam, it is proposed to raise his pay to Rs 40 being the minimum pay of the Head Gumasta of a taluk, in the grade of Rs 40-2-50. As the temple attracts a very large number of devotees both from and outside the State, throughout the year, and as the temple servants are required to be in the temple at all hours, it is not desirable to further reducethe number of temple servants or their pay; but, in view of the fact that some savings will have to be effected to keep the temple in good condition on which their livelihood depends, some sacrifice will have to be made by them till the loan is repaid or its finances are augmented by revising the sevartha fees, which is under consideration.

Under the circumstances, I request that early sanction may kindly be accorded to the revised scale now proposed.

The connected records with the file relating to the raising of a

lottery for repairing the gopuram are enclosed herewith for reference and return when done with.

Details of Puduvat Sevas in the Sri Ranganatha Swami Temple at Seringapatam.

With reference to your letter No.95/Muz.316-37 dated the 22nd July 1938 regarding the above subject, I have the honor to forward herewith letter No.H.31/36 dated the 5th instant, received from the Deputy Commissioner, Mysore District, and to state that a sum of Rs 355 has been newly endowed by Mr. Venkatapoa Setty and is deposited in the S.B. Account which yields an interest of Rs 8-14-9. The interest on Rs 1,000 endowed by Mr. K. Srinivasa Iyengar, Retired Chief Engineer, has been reduced from Rs 70 to 40 since the amount which was in the Apex Bank has been invested unoer Charitable Deposits.

The income from puduvat endowments is, therefore, Rs 701-11-9 and the expenditure is Rs 617-2-0, as noted in the accompanying statement.

As the total income and expenditure works to Rs 10,258-4-9 and Rs 9,267-10-0 respectively, leaving a Reserve of Rs 990-10-9, the same has been altered in the statements received with your letter under reference.

Revision of the Scale of Income and Expenditure of Sri Ranganathaswami Temple, Seringapatam.

I have the honour to forward herewith a copy of letter No. H. 31—36, dated 26th June 1937, received from the Deputy Commissioner, Mysore District, on the above subject, and to state as follows :—

2. The existing scale of the temple was sanctioned in Government Order No. 639-41—Muz. 379-21-2, dated 9th August 1922, for an income and expenditure of Rs. 9,936 and Rs. 9,581, respectively. The question of revising the scale has been pending for the last ten years for some reason or other. The Deputy Commissioner had submitted proposals during December 1933 for an income and expenditure of Rs. 9,324-6-0 and Rs. 8,904-4-0, respectively. As the *gopuram* of the temple which is damaged, requires to be repaired, and as the temple has to repay the loan amount advanced from the funds of the Sri Petenarayanaswami Temple for installing electric lights, it is necessary to build up an adequate reserve fund to the credit of the temple.

3. The Deputy Commissioner was, accordingly, requested to submit modified proposals for revising the scale. He has since submitted proposals with his letter dated 26th June 1937, after attending to the above observations.

4. The present income of the temple in the revised scale suggested by the Deputy Commissioner and modified by me, is as follows :—

4. The main source of income to the temple is the cash grant The contribution from the Chattram Savings Fund to the Ramanujakutam has been discontinued. The income from puduvat lands has fallen. The temple was running with a debit balance. On account of the income from cocoanut fees and the economy effected in the expenditure, the institution has been able to balance the scale, after wiping off the deficit for the past two years. But still, the temple has to pay contribution to the extent of Rs. 1,988 to the Muzrai Establishment Fund for four years from 1932-33 to 1935-36 at Rs. 497 per year, and secure funds for repayment of the loan amount due to Sri Petenarayanaswami Temple and for repairs to the damaged *gopuram*.

The Deputy Commissioner states that the Dharmadarsis have examined the proposals, in detail, in the light of the instructions issued by me, and have effected savings under all possible items, thereby raising the reserve amount to 10 per cent of the income, and that further reduction is not possible.

5. The levy of cocoanut fee was sanctioned in G. O. No. 1067-8—Muz. 150-33-4, dated 9th February 1934, as an experimental measure for one year. As this is found to be an additional source of income to the temple, the continuance of the levy of cocoanut fee may be sanctioned for another five years. The scale of sevartha fees which was sanctioned in G. O. No. 169-70—Muz. 190-23-4, dated 30th July 1924, has to be revised, as it is expected to increase the income. The Deputy Commissioner will be requested to submit necessary proposals.

6. *Expenditure.*—Under items Nityakatle and Hetchukatle, only the minimum expenditure is proposed after making necessary reductions.

As regards the Establishment, the Deputy Commissioner has proposed to fix the pay of the Peshkar at Rs 40 in grade Rs 40—2—50 on a par with that of the Head Clerk of the Taluk Office, with a view to raise the status of the Peshkar, as he has to supervise the affairs of this institution and other major institutions at the place. I agree with the Deputy Commissioner, as it is desirable that the posts of the Peshkar and the Head Clerk should be made interchangeable. The average pay of the Peshkar in grade Rs. 40—2—50 works to Rs. 47-8-0 per mensem, and including the pensionary contribution of Rs. 11-14-0, the total cost aggregates to Rs. 59-6-0 per mensem or Rs. 712-8-0 per annum. Half of this amount is proposed to be borne by the Sri Petenarayanaswami Temple, as the Peshkar exercises supervision over the affairs of that institution. The moiety to be contributed annually by this institution will be Rs. 356-4-0 as against Rs. 292-8-0, proposed by the Deputy Commissioner, and this amount has been provided on the income side of the revised scale as the contribution from the Sri Narayanaswami Temple. This adjustment may kindly be sanctioned.

7. As per G. O. No. 789-90—Muz. 280-29, dated 8th October 1930, the name of the post "Manager and Bellikolu" (*vide* item No 6 of the detailed statement of expenditure under Establishment), has been proposed to be changed to "Chicka Parupathegar." The Deputy Commissioner has proposed a reduction of Rs. 2 in the pay of the post, from Rs. 6 to Rs. 4 in the revised scale. This is a general reduction applicable to all employees of the temple and it cannot be helped The name of the post may be changed as per the above Government order.

No. 662-63—Mu/ 316 37 4, DATED 3RD NOVEMBER 1938.

8 Several petitions have been received, both in this office as well as in the subordinate offices regarding the claim over the pinchanike duties of the Suthalgudies in the temple This right over some of the Suthalgudies has also been transferred to others by mutual agreement among the claimants It is not clear as to which are all the Suthalgudies, whether the continuance of the claims over these duties by transfer or otherwise is allowable, and why such of these duties for which there are no claimants should not be lapsed

The Deputy Commissioner will be requested to enquire into the matter and submit a separate report This question need not wait the revision of the scale of the temple

9. I request that sanction of Government may kindly be obtained to the revised scale of income and expenditure of the temple, submitted by me, as per appended detailed statements, for a period of five years.

10. The connected records are sent herewith
